

The Legacy of Bari Mills

For more than 50 years, we at Bari Mills have been crafting textiles that touch the lives of millions. Our fabrics are woven into the stories of our clients, becoming an integral part of their journey and success.

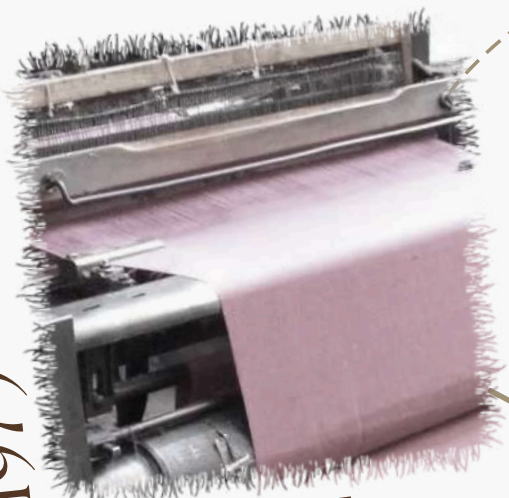

1944

EARLY YEARS

Starting as a manufacturer of stitching thread for local and export markets, Bari Mills quickly became a trusted industry supplier.

1979

TOWEL UNIT

We entered the towel industry with power looms, aiming to become one of Pakistan's leading towel manufacturers.

2005

IN HOUSE PROCESSING

The addition of shuttle-less looms and in-house processing marked a major milestone, improving quality control and reducing costs for our growing global customer base.

2011

WEAVING MILL

We established a weaving mill with over 200 looms and in-house warping and sizing, ensuring top-notch efficiency and quality.

2022+

CRAFTING THE FUTURE

Our new 16-acre mill set to be fully operational by 2025 will increase production by 40% and meet the latest sustainability standards.
